

"DO MORE OF WHAT MAKES YOU HAPPY"

Hobbies are important tools in your hand, so take advantage of them

"Today a reader, tomorrow a leader"

Knowledge is power and where do you get knowledge? Reading of course. I love to read about everything: politics, economics, literature, history, science and technology. Sometimes I feel lazy, so I see a video on YouTube in these areas as well.

"Cooking is one of the great gifts you can give to those you love"

Cooking isn't just for girls, cooking is an essential skill for life.

The feeling that you feel after creating something that has value from just basic Ingredients is an indescribable feeling.

You should try it.

"First, solve the problem. Then, write the code"

Programming isn't just written a code that runs, it's writing that you can understand. it's art. Do you remember the cooking feeling? the same feeling here, too.
